

# 5K RUNNING TO NET ZERO

**JUNE 4 | 9 AM | LINCOLN PARK**

The Illinois Green Alliance Auxiliary Board is hosting their second annual Running to Net Zero 5K to raise funds for the Illinois Green Schools Project, Illinois Green’s flagship program to advance sustainability in schools.

**Earn recognition in the green building movement and support this volunteer-led event. Your support moves the industry forward and helps us make a net zero future a reality.**

We’re also accepting in-kind donations to offer as prizes to the top runners.

This event offers opportunities for digital recognition and email exposure to our list of 13,000+ sustainability advocates and influencers.
