

women in green building leadership luncheon

April 10, 2024 | 11:30 AM – 1:30 PM | The Ivy Room 12 E. Ohio St.

This year's theme is fresh perspectives - uplifting women from different life experiences, roles, and career paths who work towards sustainability in the built environment. This annual event always sells out, with nearly 200 attendees joining us to share their stories and connect with each other.
